OVERNIGHT TRIPS

Trips taken by groups of children or youth which extend during the evening and require staying overnight are subject to the pastor or his representative's approval.

Approval may only be given when such an event supplements or enriches parish programs, e.g. retreat experiences, youth conferences, etc.

The directives in Policy 6153.0 - Field Trips and 6001.1 Adult Chaperones for Activities with Minors also apply to overnight trips.
